

Appl. No. 10/583,450
Amendment dated: June 9, 2008
Reply to OA of: March 7, 2008

Amendments to the specification:

Please replace the paragraph beginning at page 9, line 4 with the following rewritten paragraph:

--In order to better explain the characteristics of the invention, the following preferred embodiment of a film according to the invention for packaging liquid products or the like, as well as some preferred embodiments of the methods according to the invention for manufacturing the above—mentioned film are described as an example only without being limitative in any way, with reference to the accompanying drawings, in which:

Brief Description of the Drawings

figure 1 schematically represents a film according to the invention seen as a section;
figure 2 represents a method for manufacturing a film according to the invention;
figure 3 represents a variant of figure 2.--
